WHAT MAKES US DIFFERENT?

- Other sites limit your message to the public as a "first time" contact.
- We will print and mail all of your messages, photos, and/or comments that you receive.
- We offer MORE! Other sites only allow their members to express themselves through written profiles or photos. We offer over 25 individual services.
- Other sites charge far too much for their membership and services.
- We understand that everyone has different financial abilities. We strive to keep our costs low so that everyone is provided the opportunity to participate and stay connected.

EARNED CREDITS

If you refer someone that becomes a Platinum member and places your name on the order form, you will receive 20 credits (\$5.00). We will also place your profile page in our "High Traffic Exposure" area for one month. You can use your credits to purchase any of our services. We want you to receive your credits, so always place your name/I.D. number on the 'referred by' line. Please note that you must be a Member to use your earned credits.
